PUBLIC COMMENT GUIDELINES
Adopted by the Kershaw County Planning & Zoning Commission
December 14, 2006

I. Public Comment:

- is an opportunity for members of the public to share information with the Planning Commission
- is not a time for debate with or questions and answers from the Planning Commission
- is a time for the Planning Commission to receive input
- is not a time for Planning Commission response

In short, during Public Comment the Planning Commission will LISTEN to public comment, but not COMMENT on public comment.

2. Offensive and inappropriate comments will not be tolerated and comments should be limited to statements and rhetorical questions.
3. If a group would like to speak to the Planning Commission, we request that a spokesperson be selected and that this person indicates the group he/she is representing on the sign-up sheet and in his/her comments.
4. Public comment is a time to discuss issues, not individuals. Other avenues exist for individual personnel complaints.
5. Public comment period is limited to 30 minutes with 5 minutes maximum allowed per individual speaker.
