Potter Community Park Update

Elgin, SC – As a precautionary measure to prevent the spread of COVID-19 in our community, the Town of Elgin will further reduce public access to Potter Community Park effective immediately.

Playground equipment at the park as well as the benches and covered picnic shelter will be unavailable for use until further notice. However, the walking track will remain open to individuals.

We are encouraging everyone if they have questions regarding a matter, please do not hesitate to contact our offices at:

Elgin Town Hall	803-438-2362
Elgin Police Department	803-438-9917
After Hours Dispatch	803-424-4000

We are continuing to work closely with county and state officials and will notify the community as information is made available. Thank you for your patience and understanding during this time.
