Re: **Electronic Waste Removal and Recycling Service Contract**

Nine bids were received for Bid # 16-213-21:

Kershaw County averages two 10 ton pickups of electronic waste per month. To evaluate the bids staff used a typical 10 ton pickup which is usually 80% televisions and monitors and 20% computers. The plus after the amount signifies additional variable costs.

American Greenz Inc., Morrisville NC	\$3,682+
Atlanta Recycling Solutions, LLC, Alpharetta GA	\$4,750
Dynamic Recycling Inc., Nashville TN	\$3,060
eCycleSecure, Charlotte NC	\$3,360+
Electronic Recyclers International, North Carolina Inc.	\$5,200+
Intelligent Lifecycle Solutions LLC, Salley SC	\$2,052
Powerhouse Recycling Inc., Salisbury NC	\$1,960
SESC, Peachland, NC	\$2,880
Synergy Recycling, LLC, Madison NC	\$2,270

On June 27, 2017 County Council awarded the E-Waste Contract to Powerhouse Recycling Inc. Powerhouse charges \$320 per ton for CRTs; offers free shrink wrap, boxes and pallets, and pays \$300 per ton for PCs.

Kershaw County extends our gratitude and appreciation to the contractors listed above.
